Address: 1/33, Settipalli (V), Penukonda (M), Sathya Sai Dist, Andhra Pradesh – 515110

Career Objective

I aspire to begin my career in the IT sector as an Analyst Trainee, with a strong focus on learning, professional growth, and understanding real-time IT work processes. I aim to contribute effectively while building a solid technical and professional foundation.

Education

Bachelor of Computer Applications (Computer Science) Parul University	2025 66.6%
Higher Secondary-BiPC (Biology, Physics, Chemistry) Vijayawada Nalanda Junior College of Science & Arts ANANTAPURAMU	2022 53.66%
Secondary Z P HIGH SCHOOL, CHENNARAJUPALLI, ANANTAPUR DISTRICT, Kothacheruvu	2020 89.33%

Projects

Google Sheets Clone

- Developed a spreadsheet-style web application with data manipulation logic and validations.
- Implemented CRUD-like operations for updating and managing cell data.
- Tested features manually to ensure data accuracy and smooth user experience.

IT Service Ticket Management System

- Developed a database-driven IT service ticket management application for logging and tracking service requests.
- Implemented SQL queries, CRUD operations, and joins to manage ticket lifecycle data.
- Executed manual testing, validated data accuracy, and analyzed issues for root cause analysis following ITSM practices.

Internship

AccioJob Software Development Internship	10/2024 – 03/2025 Vadodara, Gujarat 391760
- Wrote SQL queries and performed CRUD operations on relational databases. - Understood relationships between tables and retrieved data using joins. - Assisted in testing applications, preparing test data, and validating outputs. - Analyzed issues and fixed bugs following standard procedures. - Collaborated with team members using Git & GitHub for version control.	

Technical Skills

- Programming:** Python (basic scripting, logic building)
- Database:** SQL, MySQL (Queries, CRUD operations, Joins, basic Stored Procedures)
- Web Technologies:** HTML, CSS, JavaScript, Bootstrap
- Testing:** Manual testing, test case preparation
- Tools:** Git, GitHub, VS Code

Soft Skills

- Analytical & Problem-Solving Skills
- Teamwork & Collaboration
- Time Management
- Written & Verbal Communication
- Critical Thinking

Languages

- Telugu
- English
